

### **Age/Grade – Proof**

-All teams must submit roster pre-tournament to appropriate BasketBull personnel. Additionally, all teams must bring rosters with them to the tournament as well as copies of birth certificates and/or school reports for proof of grade/age in case of dispute/protest.

-Protest fees are \$50 per protest.

-If team is protested, that team must provide documentation before the playoff rounds begin in order to determine who advances in the tournament.

-Opposing teams players will be called in one at a time to verify age/grade and other information specific to their documentation.

-If team's information or documentation is found to be inaccurate, they will forfeit their spot in the tournament and all games will automatically count as losses.

-If the team provides accurate information, the protesting team will lose their \$50 fee and both teams will remain in the event.

\*\*\*Protests must be made by an opposing teams head coach and need to happen before pool play is completed!\*\*\*
